

2018 ANNUAL APPEAL

You make it all possible!
Thank you!!!

Dear friend of the museum,

There's always something happening at the Wenatchee Valley Museum & Cultural Center! Have you or your family had the chance to visit our beautiful Beyond the Frame exhibit, enjoy a performance of People of our Past, or attend an Environmental Film & Lecture series? We strive to offer fun and dynamic programs for all ages, from Super Summer Adventures to our annual adults-only Night at the Museum.

Annual donations are truly essential for us to provide engaging cultural programming, immersive exhibits, and educational experiences for kids and adults like no other found in the region.

With donor support, we will provide museum and field experiences to more than 12,000 students in 2018! After visiting the museum a third grader from a local elementary school sent our volunteers a note that said:

"I can't explain how grateful I am because you spent your time to volunteer for our school. Thank you!"

We hope that you have had an opportunity to find personal value visiting us. We'd like you to know that your donation is extremely important to our health and strength. The exhibits and programs we create and present are only possible because of our local supporters.

We would like you to consider donating this holiday season to ensure these opportunities continue.

Thank you for supporting your museum!
