

## Business Memberships

To live and thrive in a small community, individuals and families need opportunities to gather and engage with their community. The Wenatchee Valley Museum & Cultural Center provides educational, and community based opportunities that encourage people to celebrate and preserve the history, arts, sciences, and rich diversity of our region.

You can provide your employees with an additional employment benefit that helps promote greater employee satisfaction and retention: a discounted membership to the Wenatchee Valley Museum & Cultural Center. Interested in additional benefits? Talk to us about what upgrades are available.
