

Education/Volunteer Specialist

The Wenatchee Valley Museum & Cultural Center (WVMCC) fosters dynamic connections to the history, cultural traditions, arts, and sciences of the Wenatchee Valley. A vibrant mid-size museum, the WVMCC is a vital hub for creating community connections with our region's unique heritage and arts through creative, interdisciplinary programs, exhibits, and publications. The WVMCC seeks a collaborative, innovative and engaging team member to help strengthen and grow the Museum's education and programming initiatives.

The Education/Volunteer Specialist supports the coordination and implementation of all Education & Programs Department activities, which includes current year-round offerings for school and tour groups, and youth, adult and family audiences, as well as new offerings that reach new audiences. This position also assists in coordination of the Museum's volunteer program, which includes helping to maintain and update the volunteer database, use established procedures to count volunteer hours, reporting those hours, and assisting with volunteer training and special events for volunteer recruitment and appreciation as needed.

Organizational Relationship: The Education/Volunteer Specialist reports to the Curator of Education & Programs and works corroboratively with all staff, especially with the other Education/Volunteer Specialist, the MakerSpace Coordinator, the Outreach & Public Relations Coordinator, and the Facilities Coordinator.

Position Duties & Responsibilities:

- Assist in processing and tracking school registration data and providing administrative support for education programs as needed. This support may include but is not limited to: receiving and processing email and telephone inquiries, inputting group visit and/or registration data into a database; processing some payments; preparing confirmation letters, packets and reports; and distributing and collecting evaluation forms.
- Coordinating contracted program artists' and facilitators' needs by providing resources, logistic and administrative support.
- Communicate with a wide variety of audiences about Museum programs.
- Collaborate with Marketing to ensure best communication about all programs.
- Assist with set-up, organization, and upkeep of classroom spaces and education supplies.
- Coordinate with the Facilities Department to ensure accurate and timely set-up for programs.
- Support coordinating teachers' participation in Spring Break and Summer Camps.
- Support activities associated with our MakerSpace programs, including working with outside partners, and recruiting and training program volunteers.
- Maintain volunteer database, including track volunteer hours.
- Help recruit and train new volunteers for all Museum departments.
- Support and/or lead volunteer appreciation events and activities.
- Assist in day-to-day details of all education and volunteer services programs as assigned, including: coordination, schedules, venues, and resources.
- Provide exceptional customer service to all guests.

The duties listed above are intended as illustrations of the types of work that may be performed. The omission of specific job duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.
