

Releases and Permissions

The Educational Service District (ESD), Office of Superintendent of Public Instruction (OSPI), and other state agencies and organizations offer several financial awards for winning Art Show submissions to either (1) become a part of the agency's permanent art collection, or (2) displayed at a location of the agency's choosing for up to two (2) years. If you are not willing to part with your Work in this manner, it will not advance to the Annual Superintendent's High School Art Show in Olympia, and the Work will not be eligible for a financial award.

Regardless of whether the work is eligible for a financial award, you understand and agree that the Museum and OSPI will showcase all entries in the Regional Art Show and Annual Superintendent's Art Show in various multimedia formats, including, but not limited to, their agency websites and social media. Your Work (which includes all images, text, and other information you submit) will be open to public view and may include your first name, last name, school/district, your likeness and voice, the Work's title, the Work's medium, and the inspiration and/or a description of the Work.

By participating in the Art Show, you understand and agree that you grant the ESD, Museum and OSPI a license to your Work. This permission grants the ESD, Museum and OSPI a license to use, edit, display, publish, broadcast, transmit, post, or otherwise distribute all or part of the Work (including edited, composite, or derivative works made therefrom). The license you grant includes, but is not limited to, the right to use your school's name, location, any images you submit, and other information or materials you submit during or in connection with your participation in the Art Show. The license you grant is irrevocable and valid in perpetuity, throughout the world, and in all forms of media (including, but not limited to publications, television, web pages, video, social media, advertising, and other promotional materials). The ESD, Museum or OSPI may transfer the license to third parties in order to publish or post the Work.

You hereby certify that:

- a. The Work is authentic and is your original work created by you.
- b. You have full legal right and authority to enter into this Agreement and to make the representations and warranties contained in this Agreement.
- c. You are the sole and absolute owner of the Work and have good and marketable title to the Work, and the Work, at the time of transfer of title, will be free and clear of any and all rights, claims, liens, mortgages, security interests, or other encumbrances held by any person.
- d. The Work does not infringe the rights of any person or entity, including trademark, copyright, privacy and publicity rights.

You hereby release the ESD, Museum and OSPI from all liability for damage, loss, or misappropriation of the Work.
