2020 feels like a blur. Day in and day out, we were all met with the challenges of navigating uncharted territory. None more than our dedicated staff here at the WVMCC. Our staff was undaunted and dedicated to a saying I use a lot; “find a way or make a way”. Because of their creative efforts, the Museum remained relevant, current, informative and helpful through the most difficult of times. Hats off to Keni and the entire team!!

The Board of Directors are dedicated volunteers that deeply care not only about this organization but about this region. I have witnessed over and over again, that care, concern and focused commitment to keeping this organization vibrant and sustainable into the future. We were thrilled and thankful to be into a strategic plan and collective visioning for generations to come. Big thank you to board member John Donaghy for leading our strategic planning team. Another thank you for City Councilmembers Mark Kulaas and John Sterk who sit on this board and provide that great connection to the two cities that are critical to our future.

My final thank you goes to two amazing board members, Lorna Klemansky and Kathleen McNalty. Lorna leaves the board after serving for years. She has added valuable support as our board Vice President and Secretary. She has also chaired our Personnel Committee for the past few years. Kathleen has served on several committees but most recently her service leading our Nominating Committee has been instrumental in board development. Her service as Vice President has given additional support on the Executive Committee. My sincere gratitude to these two board members, and to the work and leadership of the entire board as we navigated this unusual year together.

As I leave my third year serving as Board President, I want to express my deepest gratitude to the numerous volunteers, members, donors and sponsors that love this organization. I am honored above words to have had the opportunity to lead this organization in this role. I am BEYOND excited about the future!!

Linda Haglund
Board President
