

## *Support the Wenatchee Jazz Workshop*

The *Wenatchee Jazz Workshop* brings six professional jazz musicians to town each year to teach and perform with our Wenatchee-area students. Young jazz band students get to hone their skills by playing and rehearsing alongside world-class jazz musicians – furthering their love of jazz, advancing their musical skills, and making lifetime musical memories. We are a non-profit organization funded by donations, sponsorships and ticket sales. Your support is much appreciated. Please choose from the following levels:
